### Meeting Announcements

- **Tom Mogford was re-elected 2006 President**, Pete Buccellato as Vice President, and Tim Morris as Treasurer in hard-fought races. The highly-prized position of Secretary and Newsletter Editor is open (see below). This is indeed a rare opportunity. Submit your name early, and often, to be considered for this prestigious post.
- **Paul Elert** had to resign his position as Webmaster due to personal time constraints. We thank Paul for his years of service. Bob Roehrig will take over the duties of Webmaster. Good Luck, Bob.
- **Jeff Provost was volunteered to continue** as Chapter Photographer. Thanks, Jeff
- **Please note that the Chapter will meet on December 11, 2005** (to accommodate the Novi Wood Show) **and on January 8, 2006** (to accommodate the New Years holiday). Please mark your calendars.
- **Turning Legend Basil Kelsey** will demonstrate the finish-turning of a bowl at the December 11 meeting. Do not miss this opportunity to see an esteemed Sensei at work.
- **MAW will be supporting Camp Tuhsmehta**, a camp for the blind and visually-impaired, which is opening next year in Greenville, Michigan. If you would like to volunteer to teach woodturning to visually-impaired woodworkers of

all ages, please contact Tom Mogford at 810-629-6176.

- **The AAW is repeating their lathe drawing again this year.** To qualify for a chance to win a lathe for yourself and a lathe for the Chapter, please renew your membership early. Tim will be taking renewals at the December meeting.
- **Vice President Pete Buccellato** treated us to a Christmas Ornament demonstration. Thanks Pete.

### We Got Mail...

Editors Note:

Sadly, the time has come for me to hang up my keyboard and ride off into the sunset upon MY BRAND NEW SCREAMIN' EAGLE FAT BOY!!! Well, maybe not...but close...

I hope you've enjoyed the newsletters over the past couple of years as much as I enjoyed putting them together. When things settle down I may get back to turning, and who knows...anyhow, thanks for reading.
