## Annual Picnic -

August brought the clubs out for the annual picnic. Tom gave a demo on turning tops so that our families could see some of the stuff we do, and Bill turned some upside down tops.

Turn-On! Chicago was held on August 20-22. It was nice spending some social time with the MAW members and spouses that were there. It was also nice to chat with

some of the people I had met over the years such as Jimmy Clewes, Kirk DeHeer, Binh Pho, and Don Derry. As well as people the I had met at the Cincinnati Symposium and from the Detroit club.

I learned a lot at this symposium attending demos by Don Derry, Cindy Drozda, David Nittmann, and Jason Swanson. I recommend attending

the Cincinnati symposium next year. It is like attending 12 club meetings over the course of a weekend.

The next club meeting will be held on Sunday September 12th. This months Mentoring workshop will be held on Saturday the 18th.

# Demonstrators Wanted

Anyone willing to demonstrate at the monthly meeting can contact Tom or Pete to schedule.

We have a number of talented members, so please feel free to share your talents with the club. There are some really interesting projects that members bring in each month for the show and tell table. Many of the club members would be interested in seeing how these projects are created.

*Looking to try something that you saw at the Chicago Symposium then attend a mentor's weekend.*
