MAW August Picnic 2012

We will be setting up a croquet field at this years picnic.

If you would like to join in the croquet match all you have to do is turn a croquet mallet and ball. The mallets and balls will be on display during the picnic and then used during the match.

The mentor workshops offers an opportunity to turn longer pieces such as the shaft of the mallet, if you only have a Jet Mini Lathe.

Standard croquet mallet size is a 36-inch shaft and mallet heads are usually 9 inches by 2 and one-half inches. Standard croquet balls are 3 5/8".
