July MAW Meeting...

We have lost a club member this week. Please keep the family of Tim Morris in your prayers.

Bill shared his pictures from the AAW 2013 Symposium in Tampa at the July 2013.

The club saw the completed collaborative project. Great job everyone that worked on it. The engineering, turning, and carving were great!!!

The Ohio Valley Woodturners Guilds Biannual Turning 2013 Symposium will be held October 10-13.

Dave Worden has scanned the documents in the project bin. If you bring a flash drive in, he can copy them to your flash drive for you.

What would you like to see demonstrated at a club meeting? Who would you like to see the club host for a demonstration and workshop? Let the club officers know.

Jeff-

Demonstrators Wanted

Anyone willing to demonstrate at the monthly meeting can contact Tom or Pete to schedule.

We have a number of talented members, so please feel free to share your talents with the club. There are some really interesting projects that members bring in each month for the show and tell table. Many of the club members would be interested in seeing how these projects are created.

OVWG 2013

MAW Mentors

If you would like help getting started in woodturning or help with working out a problem, feel free to call any of the names listed. As always, there is no charge to members of the Michigan Association of Woodturners.
