## October MAW Meeting...

Thank you Chuck Ruby for demonstrating your ribbon finial at the October meeting. I heard it was a good demonstration.

The OVWG 2013 Symposium was last month. As always there were a number of great demonstrators to watch. This year had a line up mostly from Europe and Canada. Glen Lucas, Nick Agar, Michael Hosaluk, Steve Kennard to name a few. I really enjoyed Steve Kennard's boxes and Nick Agar wall hanging and slideshow. I find it interesting how other people approach turning.

Dave Worden has scanned the documents in the project bin. If you bring a flash drive in, he can copy them to your flash drive for you for the next meeting.

What would you like to see demonstrated at a club meeting? Who would you like to see the club host for a demonstration and workshop? Let the club officers know.

The holiday party is fast approaching. You may want to start working on your gift exchange item "IF" you wish to participate in the exchange. Remember the holiday party

is a social event for the club. You should attend even if you "DO NOT" wish to participate in the exchange. It is still fun watch others exchange, along with having a some casual time with club members.

Jeff-

**Bills Twig Pots from reclaimed wood.**

## Upcoming Dates

**Tentative 2013 Meetings :**

November 3                      December 1 Holiday Party

**Tentative 2013 Mentor Workshops :**

November 16                      December 14

-Meetings are held monthly on the first Sunday of each month from 1:00 pm - 3:00 pm at Paul Beemann's 2075 East Rattalee Lake Rd Holly MI 48442.

## *Bill Demo - Tops*

Saturday the MAW will be hosting a Top-O-Thon. This is a club event where members bring their tools and turn tops. This is a great way to practice your spindle turning and create a top for Children's Hospital. The tops are given to children in the hospital, so that they have something special to play with during their stay. Bill has been doing a great job organizing the Top Program. There is wood at the club for tops. This is also a great time to socialize with other club members. So come in and turn a few tops. If you can not make it, feel free to turn some tops and bring them to the next meeting.

Bill started with a top. Mounting a spindle blank in the chuck. The bottom of the top was turned and then the handle.

*Turning a top for the Children's hospital is a good way to use up smaller pieces of wood left from other projects as well as warming up.*

# Demonstrators Wanted

Anyone willing to demonstrate at the monthly meeting can contact Tom or Pete to schedule.

We have a number of talented members, so please feel free to share your talents with the club. There are some really interesting projects that members bring in each month for the show and tell table. Many of the club members would be interested in seeing how these projects are created.

**Mentoring**  
**Workshops are a good time to ask questions and try turning something new.**

## MAW Mentors

If you would like help getting started in woodturning or help with working out a problem, feel free to call any of the names listed. As always, there is no charge to members of the Michigan Association of Woodturners.

Tom Mogford .....	810-629-6176
Pete Buccellato .....	248-634-7622
Bill Magee .....	734-981-6117
Gary Smith .....	810-636-7167
Ruby Cler .....	519-945-0647

## Photo's
