January MAW Meeting

For those of you that braved the weather and the roads you were enjoy Bob Way's segmented scope demonstration.

As a reminder Dave Worden has scanned the documents in the project bin. If you bring a flash drive in, he can copy them to your flash drive for you.

What would you like to see demonstrated at a club meeting? Who would you like to see the club host for a demonstration and workshop? Let the club officers know.

Jeff-

Bob has put on several good demonstrations for the club in the past. Sadly I missed this one.

Chuck Ruby will be demonstrating forks and spoons at the February Meeting.

Bob's Segmented Scope Demo

*Those who braved the weather enjoyed an interesting
demo with Bob Way.*

Demonstrators Wanted

Anyone willing to demonstrate at the monthly meeting can contact Tom or Pete to schedule.

We have a number of talented members, so please feel free to share your talents with the club. There are some really interesting projects that members bring in each month for the show and tell table. Many of the club members would be interested in seeing how these projects are created.

MAW Mentors

If you would like help getting started in woodturning or help with working out a problem, feel free to call any of the names listed. As always, there is no charge to members of the Michigan Association of Woodturners.
