October 2014

With the holiday season fast approaching Chuck Ruby demonstrated turning an Angel at the October meeting.

Some club members participated in the Empty Bowls fund raiser. Local restaurants cooked bowls of soup. People were invited to buy a ceramic bowl and receive soup. This year members of the MAW donated turned bowls. Several of the bowls sold for \$30-\$50 and some raised \$100.

Upcoming demonstrations:
November Offset Medallion
December Holiday Party

December is approaching. That means the clubs annual holiday party and the Children's Hospital Top Donation are coming. The club is down on Top Count compared to the last few years. Please consider turning a few tops to donate. Turn-A-Thons will start soon.

What demonstrations would you like to see next year?

Which demonstrators would you like to see in 2015?

There is still time to bring in tops for Children's Hospital.

There are 3 new DVD's for the library, Turning for Food, Turning for Fun and Profit by Nick Cook and The Aesthetics and Properties of Wood by John Jordan.

Chuck Ruby - Angel

Chuck Ruby put on an entertaining demonstration on turning Angels.
For more information on turning Angels you can see the Angel article in
the December 2012 issue of the Wood Turning Design Magazine.

It is more difficult to turn the wings when they meet the bowl at an angle less than ninety degrees.

Demonstrators Wanted

Anyone willing to demonstrate at the monthly meeting can contact Tom or Pete to schedule.

We have a number of talented members, so please feel free to share your talents with the club. There are some really interesting projects that members bring in each month for the show and tell table. Many of the club members would be interested in seeing how these projects are created.

Are you thinking of trying to turn something new you saw at a demo, bring your project to the Mentor Workshop.

MAW Mentor Workshop

The Michigan Association of Woodturners sponsors a Mentor Workshop for members. The workshop is typically held the second Saturday following the meeting. Check the Club Calendar for specific dates. This is a time for you to come to the club bring a piece of wood and turn something. People are there to

answer questions and provide guidance. Feel free to try something new or bring in a piece you are having issues with. Cost is \$10.00 and a lunch will be provided.
